<p>DURATION</p>	<p>Maximum 45-50 minutes The duration can be different. It depends on the chosen pedagogical materials.</p>
<p>TEACHING AID</p>	<p>All the material things needed.</p>
<p>SUMMARY</p>	<p>Scientix is the number one community for science education in Europe. It aims to promote and support a Europe-wide collaboration among STEM teachers, education researchers, policymakers and other educational stakeholders to inspire students to pursue careers in the field of Science, Technology, Engineering and Mathematics (STEM).</p>
<p>TEACHING PRACTICE (STEP BY STEP)</p>	<p>Scientix website built an online portal to collect and present European STEM education projects and their results and organised several teacher workshops. The main stakeholders of Scientix are teachers, researchers and project managers in STEM education, and policymakers. Each of these groups can benefit from Scientix activities, resources and events.</p>
